9. To return to a certain place or person is to take off. (X) come back

#### 12-Complete the following text with the suitable preposition from ones below:

I used to travel to Greece every summer, but this year I'm interested in visiting Paris. Sounds like fun, doesn't it? I searched for the best places to visit and found out that they were a lot. Of course, I didn't expect to see them all, so I intended to concentrate on the most famous ones. I succeeded in booking cheaper tickets from the internet instead of going to the ticket office. I had to deal with some difficulties concerning my visa card, but I did it! Finally, I congratulated myself on finishing everything on time and was happy to depend on myself.

13-Complete the table using the following.

| Word         | Preposition |
|--------------|-------------|
| concentrate  | On          |
| congratulate | On          |
| deal         | With        |
| depend       | On          |
| search       | For         |
| instead      | Of          |
| succeed      | In          |
| interested   | In          |
| expect       | To          |
